Clean comfort. Trusted install. Cape Town.

Why clients choose AR40

- 1

Digital Inverter energy saving
Maintains set temperature without frequent on/off cycling — quieter, longer-lasting, lower energy use.
- 2

Fast Cooling when you need it
Highest fan speed for rapid pull-down, then settles to efficient comfort — ideal on hot Cape days.
- 3

Good Sleep · quieter nights
Fine-tunes temperature through sleep stages; indoor Low from 28–33 dBA across the range.
- 4

HD Filter · washable
Captures dust and common allergens; rinse and reuse — practical for family homes.
- 5

2-Way Auto Swing · Cool + Heat · R32 · Anti-Corrosion Fin
Even airflow, year-round comfort, eco-friendlier R32, and outdoor Anti-Corrosion Fin (DuraFin™ Plus) suited to coastal Cape Town installs.
